

CHAMBER SOUTHWEST LOUISIANA - A-Z BUSINESS DIRECTORY SUMMARY

Prepared for: Brandon LaVan

Prepared date: May 21, 2026

Source base:

- Chamber Southwest Louisiana Business Directory: <https://events.allianceswla.org/list/>
- A-Z member pages: <https://events.allianceswla.org/list/searchalpha/{letter}>

Important coverage note:

The Chamber public directory shows 1,131 total A-Z results across 0-9 and A-Z pages. This TXT includes 1,074 extracted member names with short business summaries from the accessible public page text and conservative name/category inference where the directory did not show a description. Some pages did not expose every result cleanly in the available text chunks, so verify any high-value lead directly on the Chamber member profile or the business website. In plain English: good working lead list, not a court-certified export.

Recommended Google dorks for filling/confirming any thin summaries:

1. `site:events.allianceswla.org/list/member "BUSINESS NAME"`
2. `"BUSINESS NAME" "Chamber Southwest Louisiana"`
3. `"BUSINESS NAME" "Lake Charles" "LA"`
4. `"BUSINESS NAME" (services OR about OR contact)`
5. `site:BUSINESSDOMAIN.com (about OR services OR contact)`
